SCALERS OF REFLIND

(Section 9)

If, after registration, cancellation of registration or removal of vehicles to any other State or Union Territory on account of transfer of ownership or change of address of vehicles takes place.

Statement of Objects and Reasons

It is proposed to increase the rates of motor vehicles tax as a measure of additional resource mobilisation. In regard to non-transport vehicles such as motor cycles/scooters, cars and other private vehicles, it is also proposed to do away with the present provision of payment of one time tax at the choice of the owner and making it mandatory to pay the tax as a lumpsum with suitable provision for refund of tax in case of cancellation of registration, etc. This system is already prevalent in a number of States.

This Bill seeks to amend the Goa, Daman and Diu Motor Vehicles Tax Act, 1974 (Act 8 of 1974) to that effect.

Financial Memorandum

The existing machinery would suffice for the implementation of the provisions of this Act. The Act would increase the revenue of Rs. 550. Lakhs approximately during 1997-98.
